

JERRY BROWN'S AUTO PARTS

STANDARD WARRANTY

6 MONTH PART REPLACEMENT WARRANTY

This warranty will protect the original purchaser for a period of 6 months from the invoice date for repair or replacement of the failed part. This coverage is included on all used parts unless otherwise stated on front of the invoice. This warranty is non transferable.

1 YEAR WARRANTY

1 YEAR PART AND 6 MONTH LABOR WARRANTY

This warranty is available on engines, transmissions, transaxles, transfer cases, axle assembly, and carriers/differential assemblies. This warranty will protect your investment in this part for 1 year from the date of the sale stated on the invoice. Jerry Brown's Auto Parts will cover the labor costs at \$50 an hour at flat rate book time.

2 YEAR WARRANTY

2 YEAR ON THE PART & 1 YEAR LABOR WARRANTY

This warranty is available on engines, transmissions, transaxles, transfer cases, and axle assembly. This warranty will protect your investment on this part for 2 years from the date stated on the invoice. JBAP will cover the labor for 1 year at \$50 an hour flat rate book time.

LIFETIME PART REPLACEMENT WARRANTY

This warranty will protect your investment for the life of the vehicle you purchased the part for. This warranty does not include any labor costs. This warranty is not transferable.

POLICY OF WARRANTY

This warranty applies to Jerry Brown's recycled parts only. This warranty applies only to the original purchaser of the part and it is still installed in the vehicle for which it was originally purchased. This warranty is non-transferable. If any defect is discovered during the warranty period, JBAP must be informed immediately. All claims must be accompanied with the original sales receipt and any other documentation reasonably requested by JBAP. Defects must be verified and all repairs must be authorized by JBAP. All transportation costs are excluded from this warranty. JBAP reserves the right to repair, replace or refund the purchase price of any part at its option. Such repair, replacement or refund will satisfy all obligations of JBAP under this warranty. Any improper use or abuse (including but not limited to over heating, low or improper fluids and levels) neglect, careless handlings, damage done by improper installation, or repairs, or removal of a part from the vehicle shall void this warranty. Melting of heat tabs installed by JBAP will be considered evidence of overheating. All labor costs including, but not limited to the cost of moving attached external parts from the purchaser's old part to JBAP's part, seals, gaskets, fluids, and similar supplies are specifically excluded from this warranty. This warranty is in lieu of all other warranties, express or implied, including the warranties of merchantability or fitness for a particular purpose, application or use. The liability and obligation of JBAP under this warranty shall not exceed the price of the part as shown on the original invoice and shall not include any inconvenience, transportation, towing, downtime, loss of vehicle, direct or indirect consequential damage. Labor expenses coverage is for individuals who have purchased an extended warranty from JBAP only. Labor expenses will only be paid on motors, transmissions, transaxles, axle assemblies, differential and carrier assemblies. No action by JBAP under this warranty shall extend the original warranty period or alter its obligations. This warranty gives you specific legal rights. Any cause of action arising from any warranty must be commenced in a court of competent jurisdiction in Queensbury, NY.

TRANSMISSION WARRANTY

Improper detent adjustment, low fluid level, not using proper fluid, not replacing new filter or broken front pump and improper installation voids all warranties.

All conditions under terms of sale apply. JBAP recommends the buyer replace front seal, rear seal, pan gasket, filters, and axle shaft seals when applicable prior to installation, as these are not covered by warranty.

ENGINE WARRANTY

JBAP warrants to the original purchaser the internal parts of its engines to be free of defects for the period shown on the invoice. The parts covered by the warranty are the engine blocks, cylinder head and valves, cam shaft, connecting rods and bearings, pistons, rings, oil pump, crank shaft and bearings, rocker arms, lifters, and other internal parts. Excluded from this warranty are all fuel injection parts, water pump, all electrical parts, hoses, lines, intake and exhaust manifolds and gaskets. JBAP strongly recommends the purchaser replace the timing belt and rear main seal prior to installation, as these are not covered by warranty.
